Blessed with tremendous natural beauty such as white sand beaches, coves, and vibrant marine life, Zambales is a popular tourist destination. It is also famous for Mt. Pinatubo, that erupted in 1991. Despite the marvelous natural beauty, the majority of the population suffers under poverty. Most of them have not received any kind of medical care. The goal of 2024 ARMS is to share the hope that is found in Jesus Christ and express God's love by providing free dental/medical/minor surgical care.

CHRISTIANS IN ACTION

2024 ARMS MISSION TO THE PHILIPPINES

Jesus traveled through all the towns and villages of that area, teaching in the synagogues and announcing the Good News about the Kingdom. And he healed every kind of disease and illness. When he saw the crowds, he had compassion on them because they were confused and helpless, like sheep without a shepherd. He said to his disciples, "The harvest is great, but the workers are few." Matt. 9:35-37

If someone has enough money to live well and sees a brother or sister in need but shows no compassion—how can God’s love be in that person?

Dear children, let’s not merely say that we love each other; let us show the truth by our actions. 1 John 3:17-18
